To Whom it may Concern:

We had thought that the patent maintance fees were due in 2011 and found out it was not only due but past due. We like many others had fallen in financial hardships so it took a couple of months to get the money together. We had also thought that we were going to receive some sort of notification by mail but never received anything. We are not sure if the patent office has the correct address but back in 2005 we purchased the patent from Michael and Kathleen Bouches (Kohnle). We will send the document for transfer of patent from when we transfered the patent rights. I guess the address was never updated from them as they were suppose to update it from the patent attorney they were granted the patent from (Kaardal & Associates). Please allow us to pay the maintance fees that are due and have the patent active again. We have a great deal of money invested in this project and we are very sorry to be late on paying the fees. Thank you for your consideration,

Thomas Russell
